We believe that stronger people make stronger communities, and that stronger communities make a better world, with a brighter future.
Brighter Communities Worldwide is a charity with a wealth of experience creating sustainable communities in East Africa.

Founded as Friends of Londiani in 2002, our model creates an enabling environment for communities to realise change. We work in partnership to deliver projects that ensure:

- Access to good, affordable health care
- Education to help people find a job and be able to articulate their needs
- An income to sustain a family
- Healthier lives with a supply of clean water and better facilities

We are a charity built on integrity, passion and togetherness, working to support the achievement of the Global Goals. Get in touch to find out more about our work info@brightercommunities.org
