APPEAL**

With your support this Christmas

Nothing will stop Brighter Communities Worldwide to continue to change lives for the better in 2019.

We have been working in partnership with local communities in Kenya since 2002. Your support will help fund our programmes on health, education, access to clean water and increasing household incomes.

- Please donate online, via Facebook or post to our office in Midleton* and help us reach our target of €10,000.
- Find a unique Kenyan gift from our range of crafts online or from one of the craft fairs we will be attending.
- Download our Christmas toolkit for ideas all the family can get involved with.
